Auric Pacific Fine Wines Weekly Special 57 – 04 Jun 2007

LEOPARD'S LEAP CABERNET SAUVIGNON
2004

Leopard's Leap

Classically styled, this wine has rich blueberry and plum flavours, with a dash of cassis and the support of toffee undertones. While the benefit of ageing is already present, a few more years in the bottle will be well rewarded. A prime example of this ever-popular variety, it's the perfect companion with heart meat dishes as well as a variety of nuts and flavourful cheeses. Also delightful on its own.
