## BLUE PYRENEES MIDNIGHT CUVÉE

Blue Pyrenees "Midnight Cuvée" represents an innovative approach, by harvesting the predominantly Chardonnay grapes, only at night when they are at their optimum for flavour and acid concentration. This concentration is therefore captured and is the very foundation for the style, providing an explosion of freshness and flavour so typical of the Blanc de Blanc style as produced in France.

The cuvée is made of 90% Chardonnay and 10% Pinot Noir. This gold-medal winning wine has a pale gold colour with a constant fine bead and light floral and citrus characters.
